Mayor of London

I was very proud to receive an award for the achievement of the pupils at St Faith's at The City Hall last Friday.

We have been chosen by the Mayor of London as one of the top 113 schools in London for closing the achievement gap. I would like to thank all my staff team for the work they do to support the achievement of all our pupils.

***Congratulations to our  
new parent governor, Rowena Edington.***

# ***Thank you St Faith's School***
