Year 5 Worship

In worship this morning Year 5 shared some of their incredible learning. Wow, our Year 5 showed confident reading, detailed summaries of the book they are reading, developed their own HUKA, acted, sang and gave a grammar lesson to the audience. Thank you Year 5.

The PTA needs you

The PTA is recruiting for more parents to be actively involved in supporting the school. The next target for the PTA is to improve the playground facilities for your children. Next week the PTA will be sending a letter home asking for you to sign up. Many thanks.

Attendance winners

Well done to year 4 and 5 for achieving
100% attendance this week.

Results of the Parent Survey

During the recent parent's evening parents were asked their views about pupil progress and assessment. All parents found the consultation helpful and commented that it gave them a better understanding of the progress their child/ren are making.

Can you think of any other ways we can share information with you about your child's progress?

"I think you do a good job informing us of our children's progress."

"I like the way you've set up for parents evening very organised."

One suggestion a number of parents made was to have some online possibility for reporting pupil progress. We have a tracking system that is being used by many schools nationally and I will investigate the possibility in developing a way to report to parents.
