# *Online Payment System*

Last term we started an online system to help parents making payments for uniforms, clubs, school dinners etc. We sent every parent a code to enable them to register an account with the school.

Any parents who have not registered to pay online will need to inform the office immediately and a bulk load of codes will be issued for those whose codes have now expired.

As we are aiming to go cashless parents need to start using this system.

and your hope will not be cut off."*
