# *Parking Outside School*

The Local Authority has informed all schools that parking enforcement officers will be patrolling school areas around schools. Please be aware of the parking guidelines and be considerate when dropping off or collecting your children from school.

# *New Clubs*

**I would like to see how many parents would be interested in two new clubs.**

1. The first would be a computer club on coding which are the basics for learning computer programming.
2. The second club would be for Key stage 2 children who would like to learn about how to succeed in the Verbal and Non Verbal reasoning tests.

I will send out a letter next week with more information and asking for an expression of interest from parents.
