St Faith's Ofsted Inspection

On Tuesday and Wednesday this week, the school was visited by an Ofsted inspection team. I would like to thank so many parents for the overwhelming number that responded to the parent survey. It was absolutely remarkable to see all the positive feedback for the school. All inspection reports take a number of weeks to be processed by the quality assurance team at Ofsted. We will send a copy of the report to all parents as soon as it is available.
